

Rehearsal Aids

The Chorale has purchased a 40-member group subscription to johnfletchermusic.org. On that site we have our own Kearsarge Chorale page. Currently, 33 singers have subscribed so there are seven places left. These will be assigned on a first-come, first-served basis.

Current subscribers: You will have given your name and email address (a private one rather than a work one) to Linda Barnes, your Group Owner. You will have given your permission for your details to be added to the group account, and to have that information sent to John Fletcher.

Please add John's name (John Fletcher) and address (john_fletcher@mac.com) to your email contacts, otherwise emails from John may go into your spam/junk box rather than your In-Box.

Since you are already a subscriber, you will retain the Username you were using, although your email address will also work in the Username box. You may carry on using the same password, but if you've forgotten it you can enter a new one.

New Subscribers: Give your name and email address to Linda Barnes (soprano section), your group owner, and she will send it to John.

Please add John's name (John Fletcher) and email address (john_fletcher@mac.com) to your email contacts, otherwise your invitation to join as well as other emails from John may go into your spam/junk box rather than your In-Box.

You will receive an "Invite" email. Click on the link and you will be taken to a screen to choose a Password. If you get taken to a different page, just choose YOUR ACCOUNT>EDIT YOUR PROFILE and you can enter a password there.

You should also follow the link in the invitation email to read John's Privacy Policy and to complete the Opt-In form for GDPR compliance.

To login in future, choose LOGIN / LOGOUT and enter your username (or email address) and password.

Accessing the Kearsarge Chorale page and using the rehearsal files:

After logging in, go to "SEARCH THE REHEARSAL FILES" on the right (under the picture of the singers). Type in Kearsarge Chorale and click "Search." Click on "Kearsarge Chorale" (in large blue letters). You will see a list of most of the numbers for our next concert. Click on the link to the piece you want to hear.

Ola Gjeilo's *Sunrise Mass* is the only piece for which there are individual voice parts (mp3 files). The other titles on the list will link you to YouTube performances of these pieces. Simply single-click on the name of the piece and the YouTube performance will come up.
